

Mr. Albert K. Samukai, Chief Program Officer of the National Road Fund is a consummate and dedicated professional and public servant- with over 12 progressive years of working on national development programs in Liberia. His experience in public service spans across three functionaries of the Liberian Government- including the President's Delivery Unit (PDU)- Office of the President of Liberia, Ministry of Education, Office of the Minister and currently the National Road Fund.

Prior to joining the National Road Fund, Mr. Samukai served as the Chief of Office Staff to three successive Ministers of Education over a period of seven years. As a program Officer in the PDU, a unit responsible to drive, monitor and troubleshoot bottlenecks to the delivery of national development projects (Road, Ports, Energy, Youth Development), he worked with other colleagues on the conception of the National Road Fund of Liberia.

Mr. Samukai holds a Master of Arts degree in International Social Development from the University of East Anglia, Norwich United Kingdom (2016), Bachelor of Arts in Public Administration from the Cuttington University, Bong County (2012-Hons) and other professional certificates including a certificate in Organizational Leadership from the Harvard Business School Online.

Chief Program Officer Samukai is a result-oriented professional who is driven by excellence and integrity in the discharge of duty.
