

NEWS LETTER

ISSUE NO: 2 / OCTOBER 2025

Behind every mile of improved road across Liberia is a foundation of financial precision.

As the National Road Fund prepares to host the African Road Maintenance Fund Association (ARMFA) General Assembly from November 17–21, 2025 at the Ministerial Complex, delegates are confirming their participation.

Hon. Mohamed Kallon, CEO of the Road Maintenance Administration (RMFA) of Sierra Leone, and Lieutenant Colonel Moussa ISSA IKIZI, Director General of Niger Road Maintenance Fund (FER), have confirmed their attendance.

Meet the small but mighty engine of the National Road Fund: our dedicated Finance Department. Led by CFO Mr. James Sumo, this department is the bedrock of our fiscal integrity. Daily, they perform the critical work of reconciliation and compliance, ensuring every dollar is accounted for. Their meticulous work doesn't just keep the lights on; it ensures the National Road Fund remains a pillar of stability, trust, and public accountability under the effective guidance of Manager Mrs. Joseta Neufville Wento. We're proud to spotlight their invaluable contribution!

NEWS LETTER

National Road Fund of Liberia

The Manager, **Josefa Neufville-Wento**,
and the Chief Program Officer,
Albert K. Samukai, live in EBLC.

ISSUE NO: 1 / OCTOBER 2025

Mrs. Josefa Neufville Wentto continues to inspire the next generation, proving that leadership and empowerment go hand in hand.

The energy is building!

Believing that empowerment is the cornerstone of future generations, she champions every young woman to lead with courage. In partnership with GTBank, she joined the bank on the occasion of the AWE Women Entrepreneurship Program, turning ambition into impact and ideas into enterprises.

The Ministry of Transport, with support from the National Road Fund, is bringing road safety directly to you.

From November 17-21, 2025, Liberia will be the epicenter of African road development as we host the 22nd of the African Road Maintenance Funds Association (ARMFA) General Assembly. Road Fund CEOs from across the continent are confirming their attendance, ready to share knowledge and drive progress. Another set of confirmed CEOs: (1) Hon. Ali Ipinge: Namibia Road Fund Administration (RFA) (2) Hon. Ângelo Macuácuá: Chairman of the Board of Directors for the Mozambique Road Fund Administration (3) Mr. Rashid Mohamed: Director General Kenya Roads Board Liberia is open for business and ready to lead the conversation on sustainable road maintenance. **#ARMFA2025 #NRF_Host**

The MOT is installing state-of-the-art electronic billboards across Monrovia to broadcast crucial road safety videos to the public. Whether you are a driver, passenger, or pedestrian, these messages are for you. We are ensuring that everyone has access to life-saving information, with or without a smart phone. Reaching everyone, everywhere, with no phone required.
