

NRF Conducts Two-Day Surveillance Inspection of Madina-Robertsport Road

The National Road Fund of Liberia (NRF) conducted a two-day surveillance inspection of ongoing asphalt-pavement works along the Madina-Robertsport Road in Grand Cape Mount County. The on-site assessment, carried out by NRF engineers together with the Internal Audit Agency (IAA), forms part of the Fund's routine oversight activities. The exercise seeks to ensure value for money, verify the quality and progress of the works, and validate completed work before payments are processed.

NRF Manager Announced as Speaker at 2026 Africa Road Builders Inaugural Conference

The Manager of the National Road Fund of Liberia, Mrs. Joseta Neufville-Wento, was announced as a speaker at the Africa Road Builders - Trophée Babacar NDIAYE Inaugural Conference 2026, scheduled for April 15-19 in Abidjan, Côte d'Ivoire.

Her participation placed Liberia's road-financing experience within a continental conversation on sustainable infrastructure, institutional leadership and Africa's transportation future.
